

Dec 2021- Jan 2022 Spotlight Online Colour Supplement

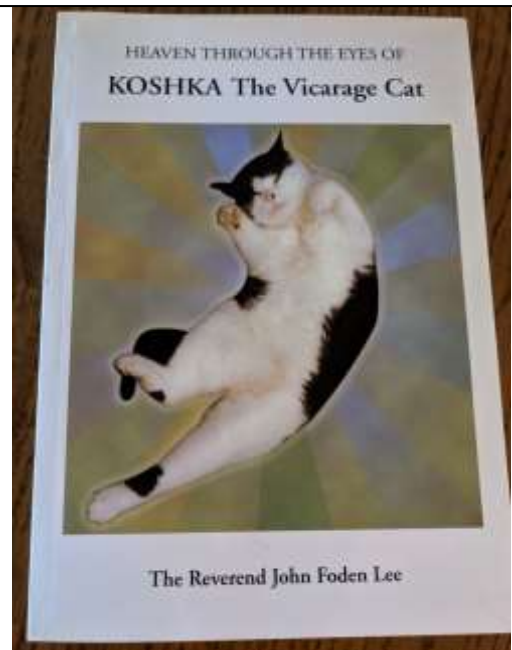

Seend School Harvest Festival gifts and pupils with Remembrance Day wreath

Junior football coaching on the Lye Field

We rashly called Zuma Seend's most famous cat as he visits so many village events (the WI Quiz Night below left) – but who remembers this book, published in 2001 by our ex-Vicar? As far as we know, nobody has written a book about Zuma – yet.

Twenties Night in Seend Community Centre: the excellent band, lots of happy punters dressed for the occasion and your friendly supper preparers.

50 shades of autumn in Seend – including grey

Thanks to Seend School, Seend Community Centre, Jo Vaux and the Spotlight team for photos.

Don't forget we would love feedback about the colour supplement – and contributions of photos – to spotlight@seend.org.uk please. Thanks.
