Welcome to the April edition of Spotlight and Happy Easter

This month we have the annual Good Friday workshop in Holy Cross Church; a fun-filled morning for the children when they can make the Easter Garden, design Easter Cards and make music. There are hot cross buns too! On Easter Monday the Great Bulkington Railway is open to visitors - good fun for all the family. Another fun event making a return on April 14th is the (light-hearted) Antiques Quiz Supper Evening. There is also a Folk Concert organised by the Friends of Keevil School on the 21st April in St Leonards Church, Keevil.

Saturday April 14th is also Relaunch Day at Seend Community Centre and Social Club. Go along between 11am and 2.30pm and see all the recent improvements. Their Saturday breakfast will be available. Another club vying for your attention this month is the Seend 100 Club. We challenge you not to smile when you read the world exclusive on page 10! An application form to join this worthwhile organisation is enclosed with this month's Spotlight.

Last but definitely not least.....The April issue of Spotlight is always a significant one for our magazine because it is the month we ask you for money! If you value Spotlight, please use the enclosed envelope to make a contribution to its running costs. Unlike many village magazines, Spotlight is not a priced document. The reason it remains so is because our loyal team of volunteer printers, collators and distributors enable us to keep the production costs to a minimum.

However, in 2006, despite increasing charges to advertisers, expenditure on Spotlight exceeded the income we received so please give what you can and help us to keep Spotlight free! The person who delivers your copy of Spotlight will call back soon to collect your envelope. Alternatively, or if you are out when they call, envelopes (marked "Spotlight contribution") can be put through the Rectory letter box. Thank you for your support.

The Spotlight Contacts

Contributions for the May issue (*copy deadline is 14th April*) can be sent by e-mail to spotlight@seend.org.uk or delivered to the Post Office, High Street, Seend or for Bulkington contributions to Jo Bell at 1 Northfields, Bulkington (e-mail to trevor@bell8490.freeserve.co.uk). Comments and queries – Meg Combs 828229 or Tina Yockney on 827139.

FROM WHERE I STAND.....

...there's a time for everything and everything has its time! Driving back from a meeting in Salisbury the other day I noticed that in some fields the lambs were clearly very new and very small while in other fields they were several weeks if not several months old. However I remembered that in the wilds of the moors in Cornwall many of the sheep who freely roam there have yet to produce their lambs! Mostly of course this is due to the remote and rugged landscape of that part of the deep southern county and the variable weather – the sheep there have evolved and adapted to their landscape.

From where I stand, as we move through the end of Lent, the evolution of those particular sheep made me think of the life of the church and of Easter. In the church we have been thinking about evolving and adapting to our changing circumstances. The nature of the work of the parish priest has changed over recent years as the number of full time clergy are fewer

(meaning taking on more parishes), as the wider Church over many more years has sensed a call to involve more lay people in the work of the church, and with fewer staff available some of the work at Diocesan level now falls to the parish priest too.

The evolving church, if it is to survive, has to take these issues into account as it considers its future. Part of the answer is accepting that we all share the responsibility to 'love our neighbour', an increasing need for more of us to offer his or her skills and contribute to the life of the community and the church. In terms of the life of the church and its services we also have to give some thought to the health and well-being of the clergy we have at present and the nurturing of would-be priests or licensed lay ministers from within the community for the future! We're lucky enough at the moment to be able to have a service every week in each of the 3 churches of our Benefice and in our Methodist chapel too. After long and careful planning our current service rota for the Benefice means that, over Sunday morning and evening services, the Rector is able to get to each church each week. There are a few occasions in the year when we try to squeeze in morning services for each church for festivals like Christmas and Easter and occasions like Remembrance.

However after last Christmas, utterly exhausted, I felt we had to evolve to something different! Currently under discussion in our PCCs is a plan to experiment with having a Benefice service on each of the major festival days of Easter Sunday and Christmas Day. I know this is very painful for some but we have the chance to see this as an opportunity to join together as a very much larger group, sharing together our skills and resources, and gathering the parts of our church family into one place for a great celebration. For as many people who have found this experiment painful there have been as many others who see it as exciting!

There's a time for everything and everything has its time. Easter is a time to celebrate change and transformation as we remember that God, who came to us in Jesus Christ, brings new life where we have seen only darkness.

When any of us take time to think over important issues, or just day-to-day matters, it can be helpful to pause like this for a 'stand and stare' moment, to allow one experience to lead us to other reflections and realisations. In that place of pausing and reflecting we may begin to sense the presence of God and so be led to see Him more clearly and find ways of knowing Him more deeply. May I wish you a happy, holy and blessed Easter!

FROM YOUR MINISTER

This year sees the 200th anniversary of the passing of the Act of Parliament that abolished the slave trade. Many people were involved in the campaign to end slavery, but the act was steered through Parliament by the MP for Hull, William Wilberforce. Wilberforce was a member of the Clapham Sect, a group of evangelical Christians, who believed that their faith needed to be put into action in the social arena. The enslavement of other humans and turning them into chattels to be bought and sold is one of our darkest aspects of our history. We rightly celebrate its ending. But we need to be aware that there are still people today who experience slavery. Liberty is one of our great human needs and essential to our God-given dignity.

The 300th anniversary of the birth of Charles Wesley also takes place this year. Charles was the younger of the two Wesley brothers who founded Methodism. He was the poet of the movement and he wrote many hymns. One of the verses of his hymn 'And can it be' expresses our Christian experience like this:

Long my imprisoned spirit lay

Fast bound in sin and nature's night;
 Thine eye diffused a quickening ray -
 I woke, the dungeon flame with light,
 My chains fell off, my heart was free,
 I rose, went forth and followed thee.

As we prepare to celebrate Holy Week and Easter, is there a better way to reflect on the significance on Christ's dying and rising again, than to bring to mind these two experiences of freedom? For Easter is the gateway into the life in all its fullness God promises to us all.

Happy Easter to you all

Saturday May 5th midday till late: the 7th amazing Seend Beer Festival – see www.seendbeerfestival.co.uk.

SPOTLIGHT WORLD EXCLUSIVE!
100 CLUB's "CORPORATE-RAIDER" SWOOP ON INLAND
REVENUE

News buried by Dudley-Day celebrations

In an audacious pre-dawn raid that left the financial institutions reeling, the Seend 100 Club, a village lottery based in the small Wiltshire village of Seend, today swooped on the coffers of the Inland Revenue, an action intended to earn the Club millions of pounds in reclaimed taxes. A spokesperson for the Club, while confirming the raid, confessed that the timing was intended to coincide with the start of the new public holiday, Dudley-Day, in order to 'bury' news of the raid until well after the event. Dudley-Day has been introduced this year to mark the official publication of the all-party agreement to move Government out of London to Dudley on the western edge of Birmingham. Dudley is not only the most central political location in the United Kingdom, but is also the birthplace of much-loved comedian Lenny Henry.

In an exclusive interview with the Chancellor, Gordon Brown told me he was stunned by the news of the raid. "I was stunned by the news of the raid" he replied, when I asked if he was stunned by the news of the raid. When questioned further on what if any action he could take, he admitted that he could do nothing. "I can do nothing" he admitted, "My hands are tied." Noting that his hands were indeed tied, I pressed him further for a response. He responded with a giggle, evidently sensitive about being pressed further, especially around his midriff. "This is a ticklish problem" he chuckled, "and one I can't laugh off!" although he was clearly doing so, at which point an usher came in, and aided by an aid, ushered me out.

Back at Club headquarters, the spokesperson confirmed that with news of the raid reverberating around the globe, he was confident of massive support from the public. Musing on the ethics of the day's events he went on to admit that "When we first proposed and planned the raid it was all about the money. Later we came to see it as an action, which although being primarily about the money, seemed to work on a number of other levels, empowering yet constraining, a dichotomy which seemed almost post-modern in its irony. Then we decided that this was garbage, and it really was all about the money!"

Clearly the 100 Club is here to stay. If you feel a kinship with the aims and ambitions of an organisation which is not afraid to take on the might of the Revenue – and win! – then you could do worse than join the 100 Club. An application form is enclosed in this magazine, and includes a Gift-Aid certificate, just itching to be completed.

SEEND SUMMER FETE 2007

WANTED – budding face-painters....

No experience required!

In previous years, younger visitors to Seend Fete have enjoyed being transformed into bears and butterflies, pirates and princesses by the magic of face-painting. This year we would like to revive the face-painting stall, but to do so, we will need your help!

I am not a professional face-painter but have organised makeup for plenty of school plays and children's fun days.

I am looking for several helpers (over 16 years old, please) who would like to learn how to paint a small selection of designs before the event, then with a little guidance, get involved with running the stall on Fete Day. No experience is necessary, but a steady hand would help! It is great fun and a real treat to see the pleasure it brings. And if there is anyone out there who has done a bit of face-painting, you will be especially welcome. Contact: **Jane Borwell**, tel: **01380 828209** or email nickborwell@hotmail.com

Tombola prizes

We are once again in the market for Tombola prizes, so please look around the house for those as-yet unopened items that you don't want to keep, but just can't throw away. Phone **Tina Yockney** on **827139**, and she will call and collect!

Volunteers

As usual, there is a need for on-the-day stall volunteers. If you think you can spare just 1 hour sometime during the afternoon of August 11th (I know it's a long way away, but I want to get you before someone else does!) to help out on a stall or game, please contact **Sonja Nicholls** on **828535** who will be happy to take your details. Don't worry if you've never helped run a stall before - extensive on-the-job training is available on the day, and it's great fun!

SEEND AND DISTRICT GARDENING CLUB

Our March meeting was started by Sue Jones showing us how to grow the winning pelargonium in the Club class of the Flower Show in August in which we all grow the same variety. We were advised not to restrict the root growth of our plantlets and suggested we remove them from the pots they are in before potting on. We were told to feed the plantlets at one quarter the strength of whichever feed we like to use, each time we water, or add slow release granules to the compost. After a month our plants should be potted on to 4 inch pots, the following month 5 inch and by the time of the show should be in 6 inch pots. More plants will be available at the AGM.

Our main speaker was Dawn Collins who spoke on the Art of Garden Design and in particular garden design through different periods of history. Mrs Collins then listed for us some useful design points to help achieve unity in the garden. She suggested linking house and garden by ensuring that hard landscaping is in proportion to the house and of sympathetic colours; repeating colours and plants; using contrasting leaf shapes and sizes; controlling the eye through the placing of plants; framing views and focusing the eye away from eyesores. A good idea was the use of the sound of water to mask traffic noise.

Notices.

Joyce is now out of hospital and the club have sent a small 'get well' present.

The AGM is on 10th April. The entertainment will be provided by the Edington Barber Shop Quartet. Please bring a plate of food if you can. Ring Sue (828777) for details.

The day trip to Hidcote has 37 people on the list already. Please pay Joe at the AGM. The cost is £15 per person, £16 for non-members. There will be a deposit of £100 for those going to Yorkshire, also to be paid at the AGM.

The visit to Seend Bridge House is on Saturday 9th June. Everyone is to go on the shuttle from Rusty Lane at 2.00 – 2.15 as parking will be difficult at the garden. There will be a charge of £2.00, which will go to the Community Centre. Helpers and plants are needed for both fetes as well. Please give your name to Joyce if you will be available.

The prize winners of the Spring Bulb Competition were:

Pot of daffodils – Jane Goman, Joyce Brand (breaking an ankle and being in hospital is obviously not an obstacle)

Pot of narcissi – Carole Jackson.

Pot of tulips – Joyce Brand.

Any other flowering pot plant – Sylvia Ewin, Jean Allen, Anne Shand.

1 single daffodil – Carole Jackson.

1 double daffodil or narcissus – Carole Jackson, Sylvia Ewin.

3 single daffodils – Sylvia Ewin, Carole Jackson, Jean Allen.

3 single narcissi – Sylvia Ewin.

3 miniature daffodils or narcissi – Carole Jackson.

See you at the AGM!

Sue Johns.

SEEND WI

Before the start of our meeting on 14th March a minutes silence was observed in memory of the late Elsie Barnes who was a member of Seend WI for over 50 years. She was well known for calling 'A Spade a Spade' but underneath there was **A Heart of Gold**. When she lived in Seend she was a willing worker for the WI, helping at fund raising events for the WI Hall including 'Saturday Morning Breakfasts' and in the earlier years she cleaned the Hall. She was a founder member of the WI skittles team whose home matches were played in the WI Hall in the Melksham League. She later moved to Bulkington but still travelled to Seend to be amongst her friends.

Pam Hillier

At the meeting members were reminded of the forthcoming trip to Dauntsey's School to see 'Annie' on 28th March. The next Sheepbells Group meeting will be held at Urchfont Village Hall on 30th May when the Speaker will be Richard Angwin - the 'Weather Man' from B. B. C. Points West. We were all delighted to welcome Lorna Hillier back after her illness.

The Speaker, Mrs Sue King, gave us a truly fascinating talk about 'Boxes - Lifting The Lid'. She brought along a selection of her extensive collection and described the memories or stories associated with the various items. She was thanked by Mrs. Kay Beasley. The Competition 'A Pot Plant' was won by Mrs Elizabeth Campbell.

The next meeting on **11th April** is our A. G. M. which will include a Social Evening and Quiz. The Competition will be 'Small Easter Eggs in a Basket' and these will be raffled afterwards. Tea Hostess Mrs. Joan Greenwood.

Betty Smith.

RURAL ARTS WILTSHIRE

The Landscape, Seascape, Skyscape, Escape evening on the 2nd March, with Chris Dobrowloski, was a great success. Just over 50 people attended and they were treated to some wonderful stories (accompanied by slides, film & soundtrack). It was an hilarious evening and over £100 was raised for the Community Centre. Thanks to all that attended and contributed to the success of the evening.

The next event in conjunction with RAW, will be held on the 12th May in the Community Centre. This will be a cheese and wine evening with entertainment provided by **Waking the Witch**, a four piece female folk/rock band. In December, **Waking the Witch** were awarded the 2006 "Acoustic Roots Performer of the Year" by the Classic Rock Society and have their own website www.wakingthewitch.co.uk should you wish to find out more about the band.

MOTHERS' UNION - SEEND AND BULKINGTON

Seend Mothers' Union

At their meeting on 21st February, the Seend Branch welcomed as their speaker Mrs Ann Howard, whose husband is vicar of Potterne. She gave a very lively description of her life in a vicarage. In an age when the vicar's wife or husband often has a career of their own she felt her ministry as the vicar's wife was not just to the parish in which they lived, but also to the wider community. Their first parish in Weymouth proved an interesting and challenging job. Later, while bringing up her two children they moved to rural Warwickshire, where she was asked "Are you the lady what does at the Rectory?" Later she moved to Coventry to a city parish, where their third child was born. Sarah enjoyed the ethnic mix of her primary school and regaled the family with tales of "real life" when she returned home. In Potterne she has made friends and thinks of herself as someone who listens, encourages, and shares in the life of the community. Initially, a Science graduate, subsequently a social worker, Mrs Howard felt the deliberate choice to support her husband in this ministry was the most rewarding decision she had ever made.

SCHOOL NEWS**SEEND SCHOOL**

The wet weather has hit our football team hard as we were going to be playing in the South West Small Schools Cup at Yeovil Town, but the tournament was cancelled due to the wet weather. We now await another date. At present our tag Rugby team is in training and the boys and girls are going in for a number of competitions over the next few weeks. Later this term we are trying something new in the area of after school clubs and we are hosting a cricket coaching course run by professional coaches, for ten weeks.

On 16th March, Seend School entered into the spirit of Red Nose Day and the children came to school with their Red Noses and Whacky Hair on display.. In the afternoon we held a special Red Nose assembly and the children had insisted that all adults wear a Red Nose, whether they be teachers or parents. The day was finished with an after school disco.

Last week in school we hosted a parents' evening around the theme of Building Your Learning power. This is a programme we are running in school at the moment and it asks children to consider how best they learn and what learning muscles they need to develop in order to become better learners. The evening was run by Mr Shore and children and adults were asked to consider who they felt had a good learning style and how they could improve their style. Many of the participants went on a computer programme that helped to pinpoint their strengths and areas for development.

We ask all the children to ask questions, co-operate with others, ask themselves what went wrong and listen to the ideas of others. The children also keep learning logs to help them consider what and how they learnt and reflect on better ways of doing things We are asking them to be reflective, resilient, reciprocal and resourceful in their learning in all they do. So next time things go wrong, slow down reflect on the situation and come up with a resourceful alternative to your challenge and model what we ask the children at Seend to do.

Building News

At last it has started! Perhaps not the frenzy of activity that we expected, but then we have never experienced building work on this scale before, so perhaps we were a little naïve! We watched the collapse of the mobile with a mixture of sadness and delight. It was the scene of many happy occasions, but it didn't half leak when it rained and was certainly past its best!

Despite the build, it is business as usual. Years 5 & 6 planted a record number of oak trees (96) at Mortimore's Wood near Chippenham on Friday 16th for the Woodland Trust. The children received a free woolly hat and the praise of the organisers for their commitment and dedication.

The infants were visited on the same day by a visually impaired gentleman and his guide dog who talked about how he is able to lead an independent and fulfilling life with the help of his dog "Ozzy".

During term 4, Class 3 is going to receive some free lacrosse coaching that will culminate in a local tournament. And the infants have been benefiting from the skills of a professional dance coach for an hour each week.

Talent Show Success!!

What a talented bunch of children and parents we have at Keevil School! We held the show in the village hall on Thursday 15th February and had some wonderful acts including Monty Python's Dead Parrot sketch, dancers, singers, a Taekwondo display and a fantastic "band" (made up of 2 parents and an ex-pupil of the school) to end the night which played us out with an amazing performance of Guns & Roses' "Sweet Child of Mine" – it was like being at a live concert! Well done to everybody who took part in the show and to the audience for applauding so well. We raised £60 for Comic Relief.

Cash for trash!

The school is doing its bit for recycling and has prepaid envelopes for old mobile phones and printer cartridges. If anyone in the neighbourhood would like one of these, please pop into the school office and do your bit for recycling too! It's a fantastic way to help local charities e.g. for every mobile phone recycled, £3.50 goes towards Guide Dogs for the Blind – what a worthy cause!

If anyone has any queries regarding any of these or any other matters than please feel free to contact me at the school.

Jackie Chalk, Head Teacher

F.O.K.S. (FRIENDS OF KEEVIL SCHOOL)

We are holding a **Folk concert in St Leonards Church**, Keevil on 21st April. See April events on page 3 of this issue for details.

Parish Councillors discussed the bid made in January by Wiltshire County Council to the Audit Commission, to form a Unitary Authority for Wiltshire. This will result in dissolution of the County and District authorities. Mrs Pat Rugg for Wiltshire County Council outlined the perceived advantages of the proposal, and answered questions from Councillors about costs, location of offices, services and accessibility for members of the public. Councillors were concerned about the perceived disadvantages of the proposal, including the size and geography of Wiltshire, divided by Salisbury Plain, the current partnerships between district authorities, Wilts CC's budgetary record, and the costs not covered by the proposal document. A vote was taken by show of hands, with Parish Councillors unanimously opposed to the proposal. A letter will be sent to the Secretary of State for Communities and Local Government, stating the PC's objections to the proposal.

Wiltshire Wildlife trust will again be organizing their "Sarsen Trail" sponsored walk from Avebury to Stonehenge on Sunday 6th May. Details are available from Wiltshire Wildlife Trust, telephone 01380 725670, www.wiltshirewildlife.org

The Parish Steward will be in Seend on 16th April and 25th June. If you are aware of any area in the village that needs the attention of the Parish Steward, please contact the Parish Clerk. All items will be forwarded to Highways for consideration.

The small noticeboards around the village need repair or replacing, including in Seend Cleeve by the telephone box and on the wall of Rew Farm, and the glass/perspex in the doors of the noticeboard outside the village shop needs replacing as it obscures the notices. Is there any handy person in the village willing to undertake these repairs (for a fee, of course)? Please contact the Parish Clerk.

BITS'N'BOBS

With Love and Thanks to Mum and Dad

You were there when I entered this one chance at life;

A mother and father, a husband and wife.

You gave me your tenderness, your joy and your care.

In providing and nurturing, you were both there.

You did your best for me in every way

From when I lay in my cradle up to this present day.

You have always stood by me through thick and through thin.

I could not have wished for more considerate kin.

You put yourselves out and do the best that you can;

A selfless kind lady and a generous kind man.

Please know that I love you both, and that means forever.

My close bond to you both nobody could sever.

Enjoy every day, whether out and about or at rest.

I pray morning and night you will always be blessed.

This poem was written by a member of our parish – Bob Webb.
