Welcome to the July edition of Spotlight

This month you do not have to travel far to find fun things to do for all the family. Bulkington offers its very popular steam train rides on the 7th, when Station Master Nev hosts another Great Bulkington Steam-Up. A week later, Leaze Farm is the venue for a Barn Dance featuring the highly-regarded Wiltshire Klof.

Seend offers you its Church Summer Fayre on the 14th in the Rectory Garden. This year it starts at 1pm and there will be a barbecue so why not let someone else cook Saturday lunch for a change. Give it a try! Then, from the following week until September 1st you can have your Saturday breakfast cooked for you at the Community centre. What a nice lazy start to summer week-ends that could be.

July signals the start of the new advertising year for Spotlight. We welcome back advertisers from previous years and say hello to a number of new ones. Thank you all for all your support. If any one, who has placed an advertisement, requires a formal receipt please get in touch as these are not issued automatically.

CHURCH SUMMER FAYRE

Saturday 14th July in the Rectory Garden, open at 1pm

You are not too old, nor any child too young, to come to this Fayre and have a good time - we don't think so anyway! You can start off with a barbecue lunch, before strolling round the stalls to view all the goodies for sale, including new this year a toy stall and custard throwing. Then buy a Raffle ticket or have a go at the Pirates' Treasure Hunt - yes it is popular with grown-ups too! You can, if old enough, enter the spirits draw (Wheel of Fortune). The children will have plenty to do including the Bouncy Castle and their own games. Then relax with tea and a home made cake, or lick an ice cream. We don't mind, we just aim to please.

YOU can help to make this Fayre a success by bringing to Cranbelle, Rusty Lane as from Saturday 30th June, any items you no longer want for the stalls - someone else will want them on the day! You can bring them on the Saturday, before if possible. Just phone me on 828325. Do you have time to help Saturday morning to get the Fayre set up?

EVENTS IN AUGUST

The 58th SEEND FLOWER SHOW Saturday 11th August

Saturday August 11th, the day of Seend Flower Show and Fete, grows ever closer and after the mixture of sunshine and the rain, (wonderful growing weather), the gardens are a joy to behold (unless, like mine, yours is over-run by voracious rabbits) .

The Flower Show Committee, who stage this Show every year, is looking forward to receiving a bumper crop of entries and the never ending pleasures of admiring the splendid range of talents that we have in Seend and our neighbouring communities.

For there are so many sections you can enter:- Vegetables, Fruit, Flowers, Floral Art (the winner of this section is awarded the R.H.S.Grenfell Medal), Home Produce, Tapestry, Paintings, Photography and of course, there are the various opportunities in the Children's sections. All the details and the entry forms are shown in the Flower Show programme which are available from the Village Shop, the Community Centre, The Bell, The Brewery and the Three Magpies.

This is the one occasion in the year when you can show to all of us the results of your skills and hard work. However, even if you have nothing to enter, just come along and see the Show and admire, envy or laugh at what others have produced. You may even get some ideas for an entry or entries for next year's Show but I think that you will find it much more rewarding to put at least one entry into which ever section appeals to you and to compare your efforts for size, taste, colour, skill or imagination with those of the other entrants. And there is always time in the Show to collect some useful tips and to exchange thoughts with the other enthusiasts. It is your efforts that make the Seend Flower Show one of the best in the West Country and hopefully, with your enthusiastic support, we can again raise the standards even higher this year.

One final note:- Will all of the Cup winners from last year's Show, please make sure that they notify or return their cups in the first week of August to Mrs Di Webb, 12 Park Lane, Seend Cleeve, Tel. 828504.

FETE 2007

As you would expect, at this time of year, the Fete planning is moving along nicely. Acts and entertainments are booked and confirmed, new stalls, new faces and new attractions are work-in-progress, sponsorship, advertising and Grand Draw prizes are flowing in, and the Fete Programme is in preparation. Notwithstanding all this, we do of course have some problems:

- **Breakfast Cooks:** our solution to 'where to cook and serve the early breakfast' will of course need some volunteers to be there about 7.00am to cook the breakfasts ('there' being the Pavilion kitchen) to be served from 7.30 am onwards. 3 or 4 people will be able to do the job, but where are they? Are you one of them? If you are, call me on 828391 or Sonja on 828535.
- **Tombola Prizes** - there must be some unopened gift in your house that someone else would treasure! Call Tina Yockney on 827139 and she will collect.
- **The perennial need for helpers** to do an hour on a stall on the day - call Sonja on 828535
- **Bottle Collectors** we have real need for help in this area, especially for Seend Cleeve and Sells Green. Collection takes place in the week immediately prior to the Fete (i.e. Monday 6th August)

With all the above I almost forgot to tell you about the **Special Appearance** at this year's Fete of **Paul Martin**, the Host of the BBC-TV show '**Flogg It!**' Paul, who lives in the village, has very kindly agreed to attend the Fete, initially to glance at the many 'gifts' to the White Elephant Stall and give Ron Apted the nod whenever something could use a price-hike - thus giving us at least an equal chance with the knowledgeable enthusiasts who return each year - and also to spend sometime during the afternoon enjoying the fun, and meeting and chatting with his fellow-villagers - and perhaps signing an autograph or two ...

More next month ...

ANNOUNCEMENTS

The editorial team apologises for omitting the following report on the Flag Day collection from the last issue of Spotlight.

RNLI – FLAG DAY COLLECTION - 5th April 2007

First – I'm sorry this didn't make the May issue. I had to work abroad for two weeks immediately after the Flag Day and missed the deadline. Also, the

acknowledgement in the July issue was the incorrect one – we'll try again!
Thank you everyone from Seend, Seend Cleeve, Sells Green and Bulkington who gave their time and effort to collect for the Life Boats. The following figures in brackets show last years totals.

In the village, you collected £447.01 (£370.46). The total house-to-house amount for all areas was £4542.28 (£4116.27). The Flag Day in Devizes raised £934.85 (£1094.01). Collectors from the Seend area contributed £395.20 of this – 42.3% - excellent!

Although the Flag Day total was slightly less than last year, the overall total (Flag Day and villages) was the highest yet - £5471.87

Thank you once again everyone for this superb effort.

Bob McCulloch

BRITISH RED CROSS

A grateful thank you to all those who helped with the house to house collection around the village for the Red Cross in May. Also, thank you to those who gave so generously. Your work helps the Red Cross to continue to make a difference to those who need help, both locally and around the world. The village total was £340. Special thanks are due to Monica Ridgway who took over the task of distribution.

Joyce Brand

CHRISTIAN AID WEEK

Thank you to everyone who collected the red envelopes and to everyone who contributed. The total for Seend and Bulkington was over £938, including tax that can be recovered.

Margaret Coley

THANKS

Joyce Brand would like to thank all the kind people, who visited her both at the RUH and Melksham hospitals. Your visits were much appreciated, as were the cards, books, magazines, other useful goodies and telephone calls. All these helped to pass the time and to keep me in touch. Offers of help oiled the wheels of progress towards a return home. Thank you everyone.

WANTED

Honorary Treasurer of Bulkington Sports Field.

FROM YOUR MINISTER

Hello from Roy

I'm looking forward to a holiday. It's that time of year. Christine and I are going to hide ourselves away for a few days. We'll enjoy being together, walking, taking our time over our meals, reading our books, and catching up with old friends. We will adopt a different pattern of life. The change of scenery and routine will be refreshing.

The Bible talks quite a bit of breaking out of routine. Sabbath is a day to pause in the week to stop working and reflect on God. Maybe in our 24/7 world that's not so easy. A Lent course I led a couple of years ago suggested that even if a whole day is impractical, we should all look for Sabbath

moments in the busyness of our lives. These are times to pause, to follow our own interests, to look for God. We shouldn't be surprised though if God doesn't catch up with us even among the hustle and bustle of life. We even catch Jesus finding time to be alone with God and relaxing with friends.

The long warm days of summer naturally make us more languid. It's good that we enjoy them – maybe a picnic or a barbecue. Refreshment for our bodies and Spirits are God's gift to us.

God bless,

SEEND SHUTTLE

Seend Community Bus AGM

The Committee were joined by interested individuals at the AGM on 22nd May. Chairman, Pete Wallis, reported another successful year. He expressed some concern that if there is a new unified Wiltshire Council, it may not support community buses in the way that Kennet District Council has.

The trial timetable to Devizes via Bromham on Thursdays has proved popular, but the trip to Melksham on Tuesdays has had a disappointing take-up. The Chairman and Treasurer are talking to Bromham representatives to decide what to do about the timetable in future. Pete thanked Anne Hiscocks, who retired from the Committee this year, for her work over the years.

The Treasurer, Terry Sleightholme, reported a healthy bank balance. Private hire income has been slightly down, but fares from scheduled services are up.

The existing Committee was re-elected for another year.

First Wednesday shopping trips

Join in the Shuttle's popular shopping trips to Salisbury (or occasionally Bath) on the first Wednesday of every month. The bargain return fare is normally £3 – but may depend on numbers. Phone Terry on 01380 828203 by the previous Monday morning to be sure of your place.

Volunteers

To find out about becoming a volunteer driver please ring Pete on 828757. Tessa on 828617 would love to hear from groups or individuals who can join the bus-cleaning rota.

Over 60?

Don't forget you can use your bus pass on the Shuttle's scheduled services (but not private hire and Wednesday shopping trips). You can see the Shuttle timetable on www.seend.org.uk

X71/2 bus to Bath

Please note that the bus station in Bath has closed due to the Southgate redevelopment. The X71/2 now terminates in a temporary bus station at the eastern end of Avon Street car park. If you need a map of the new Bath bus stop arrangements, ring Tessa on 828617.

Visit to Seend Bridge Gardens

Seend Bridge House gardens is a relatively young garden started in 1996. It was designed by Bunny Guinness, multiple gold medal winner at Chelsea, and landscaped and planted by the owners, Terry and Susan Symons. The garden has been laid out in a series of interlinked compartments – all beautifully executed. The gravelled entrance yard with its well, box hedges, yew topiary and espaliered fruit makes a fine setting for the house, covered on this side by the Eden rose- 'Pierre de Ronsard'.

Leading from the yard was the Bothy Patio – a welcome shady spot later in the afternoon for tea and a selection of home made cakes that would put any tearoom to shame! The roses on the pergola, in the rose garden and covering the walls of the house were looking splendid and included such old varieties as Madame Alfred Carriere, Zephirine Drouhin, Golden Showers and Kathleen Harrop. The vegetable garden, growing a variety of fruit, flowers and

vegetables in raised beds, uses companion planting as its main method of pest control.

In addition to the beautifully maintained formal areas of the garden, we were able to roam through the wild flower meadow, the field with its copse areas, the shrubbery, the nuttury and the orchard. In all about 2000 trees and shrubs have been planted since 1996 – a magnificent feat for Terry, Susan and head gardener Pauline Misselbrook. All were on hand to show us around and answer our questions. Joan, Terry’s mother, also plays an important role with her own charming cottage garden, not to mention the dead heading and delicious cake recpes she sources for Anna – the housekeeper.

All the club members who visited would like to say a huge thank you to Terry and Susan for allowing us to visit. Thank you also to Roger Allen for organising the visit and to Joe Hardstaff for transporting us all there in the Shuttle.

Subscriptions

With all the membership applications received (a statement which will probably be wrong – it was last year!), we have 191 subscriptions – which is exactly the same number we had last year, this despite the fact that we gained another 20 new members – who precisely offset the 20 members we lost! The total subscribed was £2865, which means £955 for the Lye Field and £1910 for distribution as prizes.

Additionally, thanks to the 147 subscribers who gift aided the £5 donation part of their subscription, the Lye Field will benefit by a further £205.80p in reclaimed tax, making a total received from the 100+Club of £1,160.80p, a record sum by some way. Thank you all for your support – especially those existing members still waiting to win! – and your generosity. And to the 20 new members, welcome – you couldn’t support a better cause.

Prizes

Monthly prizes will remain as at last year's levels, viz: £35, £30, £25, £20, £15 and £10. Details of the Christmas 2007 prizes will be provided in a later issue of Spotlight. SEEND WI

Several members attended the Sheepbells Group meeting viz held at Urchfont Village Hall on 30th May. The Speaker was Mr. Richard Angwin who is the well known 'Weather Man' from the BBC Points West programme and he gave a very amusing and interesting talk about 'Weather Forecasting' and how it has developed over the centuries. He answered many questions from the large audience who enjoyed an evening very well hosted by Urchfont WI who are responsible to the Sheepbells Group for the next two years.

Our next meeting is on July 11th when the Speaker, Mr P Rule, will talk about... 'Weather Forecasting'! It will be very interesting to hear another expert's opinion on this subject. The competition is 'A Pretty Umbrella'.

We warmly welcome visitors to our meetings held on the second Wednesday in the month, starting at 7.30pm in the Irene Usher Memorial Pavilion in Rusty Lane. Why not try the Seend W. I. for Fun and Friendship?

MOTHERS' UNION - SEEND AND BULKINGTON

Seend Mothers' Union

At the meeting on 16th May, members welcomed Brian James who took as his subject the work of the Alabare Trust. This is a small charity which works in Devizes to rehabilitate people who have become addicted to drugs and alcohol, or for various other reasons, have dropped out of society.

Working in cooperation with Sarsen Housing, it has been possible to provide a house for four residents and a central drop-in centre. Social workers make daily visits to support and encourage those who are rebuilding their lives.

There have been many success stories and a few disappointments. From small beginnings in 1991, the charity has continued to grow. There are centres in Trowbridge, Salisbury, Clevedon, Andover and Swindon.

Alabare is Spanish for “I will praise” - an indication of the christian inspiration behind this work.

Future Dates:

- 14th July Seend Church Garden Party. MU Stall - Toiletries
- 18th July Bobby Van talk and information from the Police.
- 27th July Wave of Prayer—10.40-11am
- 15th August Cream Teas at Cleeve House. Please book in advance for members, husbands and friends.

Keevil & Bulkington Mother’s Union

The meeting will be held at ‘Olcote’ Martins Road on Wednesday 25th July. The speaker will be Lionel Dove.

The Great Cycle Ride

What do you do in the school holidays? Walk, ride your bike or horse ride? If the answer is yes to any of these, would you like to raise money for Seend Church and the churches in the diocese by being sponsored on Saturday 8th September for the Great Cycle Ride? You could also enter the diocesan competition by visiting as many churches as possible and perhaps winning prizes. If you are able to take part, please ask for details and get a sponsorship form from the end of August from Margaret Coley, 25 Dial Close, Seend (828189).

SCHOOL NEWS

SEEND SCHOOL

Living in a Wiltshire village children have less of a chance to visit theatres and galleries, therefore the teachers make great efforts to take the children to these resources. Recently Mrs. Kettler took Oak Class to Swindon Art Gallery to look at the exhibition of modern painters. The children, as usual, were really enthused during their visit and came back with lots of ideas on which to build their future work.. We are all looking forward to seeing the results in the next weeks. During July the Year 5 and 6 pupils will be going on a residential holiday to Dorset for three days,

The whole school took part in the annual Sponsored Walk on the canal and the last group came in just as the rain started to fall. The weather was ideal as it was overcast and not too hot. This year the proceeds from the sponsored walk will be going to support an artist in residence for our Arts Week. He will be leading the children in painting a three metre mural for the back of the school hall. Make sure you come and look at it when we have school open events. We have also had a very generous donation of £250.00 from the Sarcen Housing Association Community Chest towards our Arts Week and are very grateful to the panel for supporting our school.

On the sporting front we took two five a side teams to the St.Peter`s School Competition on Saturday and were really successful with Seend Versus Seend in the final. The boys played brilliantly and all did there best. In fact the final was a real nail biter with loads of action and suspense. No one could decide who to cheer for so we all cheered Seend on!

Our school is now nearly full and we are really pleased to welcome new children over the term. Unfortunately we also have more cars trying to access the school. If you are a visitor or parent please do make an effort to walk to our site as much as possible. This will help to cut car pollution and congestion around our school.

I am really pleased to say that the anti-social behaviour in the school grounds out of school hours has stopped and they are continuing to be used in a responsible manner by our local children.

Steven Bennett
Head Teacher

Since writing this article, the school has experienced a further bout of graffiti, Mr Bennett has had to spend a great deal of time scrubbing tables to remove graffiti and all concerned with school are very upset.

KEEVIL SCHOOL

At the football tournament held at Worton last term the girls and boys played very well and showed good team spirit, determination and resilience, despite winning just the one game.

The children also performed brilliantly at the recent small schools' swimming gala on the last day before the holiday. Competing against 3 other local schools our team came first and will now go through to the final on Friday 5th July. We wish them continued success.

I would like to thank, on behalf of the whole school, the FOKS for their hard work in organising the plant sale (in rather inclement weather) and the superb 10K run (in glorious weather!) These have had a massive boost to our funds

which will be desperately needed to help equip our new classrooms. I know these events take a huge amount of organisation (particularly the run) so many thanks to everyone who helped and to those of you who attend any of our events. Your support is greatly appreciated. Thanks also must go to Mr & Mrs Goodwin for allowing us the use of their garden and kitchen for the plant sale, whilst the school is undergoing the building work. I know the children certainly enjoyed having the grounds to explore!

Talking of building work, it continues at a pace (!) and we are assured it is still on schedule so we are keeping our fingers crossed for a bit of a move into the first 2 classrooms at the end of this term.

Many thanks to everyone who has been dropping in school vouchers as they pass. Tesco have stopped issuing theirs now but please dig around and find any discarded ones as we have until the middle of July to send them in. Thank you.

This is a term of trips. The infants are going on a canal barge and a trip round a fire station; the lower juniors are going to Braeside to develop their map and orienteering skills whilst the upper juniors are planning a trip to the Hills Recycling Plant in Compton Bassett followed by a visit to one of the Wiltshire Wildlife Trust sites. All this and trips to secondary schools for the year 6s and visits to us from the new reception children! How we are going to prepare for an end of year production (our version of Grease) I will never know! Wish us luck!

F.O.K.S. (FRIENDS OF KEEVIL SCHOOL)

A very big thank you to all who came along and supported us at the Keevil 10K on the Airfield. We had many volunteers who helped us marshal, collect goods etc., and if it wasn't for these people, our event wouldn't run quite as smoothly as it did, so a very big thank you to you all.

Another huge thank you also goes out to our Prime Sponsor Stephen Graver from Steeple Ashton, who came along to the event with his team and awarded the main trophies on our behalf. We had many other sponsors of the event and we would also like to thank them too.

Once again, this was a very successful event, with very positive feedback from runners and all who attended. We don't have a final profit figure yet, but it was well worth all the hard work!

It was again a very hot day, but everybody seemed to enjoy the event and stayed around for the post race family entertainment.

SEEND BOUNCY CLUB

All children aged 0 to 5 years, parents, grandparents and carers welcome. Come along and join us on Wednesday mornings between 9.30am and 11.15 am (term-time only). We meet in the Pavilion, Rusty Lane, Seend. The session is very informal with plenty of activities and toys for the children to enjoy. We sometimes do baking or other group activities and always include singing at the end of the session.

Tea, coffee, milk, fruit and a healthy option snack are provided, all for just £1. We look forward to meeting you. For further details, please ring Kate or Kevin on 01380 828770.

BITS'N'BOBS

TWO VILLAGE CHARITIES

Seend has two funds that exist for the benefit of parishioners and which have roots going back a number of centuries; one for example relates to William Tipper in the early 17th century. Income from the assets, which are small amounts of capital and two pieces of land, one off Row Lane and the other at Inmarsh, has historically been used to provide coats and blankets and, even up to the early 1990s, SEB or coal vouchers (a precursor of the government-paid winter fuel allowances that many people nationally now receive). More recently within the village, annual donations have been made by cheque to a number of parishioners in need.

The present governing scheme, drawn up by the Charity Commission in 1972, determines that there will be seven trustees, chaired by the Vicar (or now the Rector). These are at the moment, Rev Sacha Pearce, Andrea Tilley, Anita Shea, Bet Doig, Pam Muller, Steve Taylor and me, as treasurer. Investment income and rent for the two charities together has typically been less than £700 a year, so it's all very small stuff but the charities are part of the village. The scheme itself does not require that the accounts are presented at the Annual Parish Council Meeting but it has long been done. These accounts, which are available for anyone to see, do not identify the recipients.

Because we have become increasingly aware that the number of qualifying recipients is dwindling rapidly and that in modern life the donations often no longer play the crucial role they once did, the trustees have been looking at ways of making these funds more relevant to the present day. With this in mind it has been decided to sell the two pieces of land and review the objectives of the charities. It was also decided to tell the village, through this article, what is happening.

The decision to sell the land has been made on the grounds that it will give us much more flexibility, and the realistic expectation that income from the capital will be greater than the rent obtainable. All of this of course is firmly controlled by Charity Commission rules, but broadly speaking, we will have three options:

1. alter the objectives of the charities
2. transfer the assets to another charity, and wind ours up
3. spend the capital of the charities - which will also wind them up.

We are examining ways of supporting educational and training needs. Even with capital from the land, the sums available would make very little impact on modern higher-education costs, so the direction in which they can be most useful may well prove to be at earlier education levels.

PAST TIMES

The following are the memories of Joan Northcote who grew up in Seend and has been sent to us by her daughter Suzette Milner who lives in Canada.

My mother, Joan Northcote, was born and raised in Bulkington. Her father, John Northcote, was the proprietor of the Bell Inn for over twenty years. His son Hartley ran it until the late 1950's after him. Thus she came to know and fondly remembers many of the people that have lived there all those years ago.

The Hughes

Most fondly she remembers the Hughes. Emma and Teddy Hughes purchased the land across from the The Bell Inn before my mother was born. They had 5 children. Molly, Callie, Frennie, Violet and Mikey.

They converted a huge galvanized barn into living quarters. Half the barn was their home and half was storage. They slept in their Gypsy Caravan. Later, after Teddy Hughes had passed away, Emma built the bungalow that sits there today.

My grandmother passed away when my Mum was only eleven. Emma Hughes was a great comfort to her. She would go to their galvanized barn home to visit Emma. She remembers the large black lead cooker and cocoanut mat floors. Emma would treat her with tea, jam butties and cake. Mum always remembers how nicely it was furnished. She had lots of antiques and silver.

The Caravan, incidentally was burned upon Emma's death.

Frennies pride and joy was his garden. He and Mikey also had a fire wood business. He was an excellent dancer. He dressed to a "T" in tailor made suits. Frennie also had a small business in Swindon and would travel there often. Though they never travelled outside the county much. Violet was in the land army during the war. She was one of Mum's best friends. She, as Mum says, was always a happy person. Callie travelled all over painting barns. Mikey could sing very well and would sometimes entertain during events at the village hall. All the Hughes like to socialize at the Pub.

Mum last visited Frennie and Violet in 1995, I had the pleasure of meeting them then. They were truly kind and sincere people. Mum misses them very much.

Miss Willis

Miss Willis was a spinster who lived in the house behind the Bell Inn. She always dressed in the long Edwardian skirts and worn button up boots. She had a big garden. Mum says the neighbourhood children loved her strawberries. She played the church organ on Sunday at Christ Church, Bulkington. Though she did lead a solitary life her best friend was Miss Brooks who ran the village shop.

Miss Brooks

Miss Brookes ran the village store as her father did before her. Every year at Christmas a big black car would be seen pulling up to the store. A well-dressed lady, in furs, would visit her for a few hours and leave. It was always thought that this was a relative, though no one seemed to know for sure. People round about found it quite interesting.

The Breach's

John Breach was my grandfather John Northcote's best friend. His son Bill purchased my grandfather's motorcycle and side car. He had at least 4 sons. Bill, Tom and 2 whose names escape her. Their Mother I'm told died tragically. The boys all worked on the farm. The farm, my Mum, remembers was noted for the smell of the silage plant. Lots of comments about it wafted about the Pub.

The Village

The minister of the Wesleyan Church, Mr. Brimbel, also ran the village Post Office and Library. The books in the library were changed about every three months. It was Mum's goal to read all the books before they were changed. It never happened. During the war spies were found. They were in their vehicle parked in the lane between the Village Hall and the Shop. The lane went down to Miss Willis's garden. They were apparently taking wind measurements. My Uncle Victor and his friend Eddy Rose were getting in their vehicle to go to work when a German fighter swooped down and machine gunned them. They missed. My Uncle and Eddy Rose dove into the shed to escape. The same plane went over Mill Lane farm and targeted Mr. Golding. He dove into a ditch, unfortunately his cows didn't fair so well. One was hit and killed.

There are so many stories from my Mum's years in Bulkington. These are just a very few of the people she grew up with and remembers.

Importance Of Clearing Up After Us Dogs

Urrrgh what's that stuck to his shoe?
 Oh no, it smells like a dog's poo!
 Why can't owners clear up their dog's mess
 I'm at a loss – they're just lazy, I guess.

Have these owners never stepped in dog poo
 Does this stuff not stick to their shoe?
 Have they no conscience for the mess that they leave?
 Obviously not, this irresponsible breed.

Irresponsible owners don't seem to realise
 It's a thing everyone seems to despise.
 These owners just don't seem to care,
 That what they leave is another's nightmare.

If we dogs could just sit on a loo,
 And have a big poo like you humans do,
 Wipe our bottoms and flush it away?
 Nobody would have anything bad to say.

But life has made us the four-legged kind,
 Who tend to leave our poo behind.
 Its often smelly, and perhaps not very nice,
 So scoop and bag is my advice.

Its just nature for me to poop as and when,
 And most of the time, in the way again.
 Its up to my owner to do the right thing
 Like bag it and bin it – that sort of thing!

So, let us dogs do what we want to do,
 Avoiding leisure areas and kids places too.
 Use a poo bag to clean up our mess
 And stop adding to others distress
