# Welcome to the March issue

Those beautiful frosty winter mornings in mid- February - and some wonderful sunsets - reminded us how lucky we are to live in a lovely spot like Seend. But now spring is just around the corner; gardeners and farmers will be hoping for good growing seasons, churchgoers will be busy with Lent lunches and Easter services, and children will be anticipating a bumper crop of Easter eggs! And we can all enjoy the daffodils planted in the grass verges by Pumpkin Joe Burbidge and friends in recent years.

As usual, there is plenty going on in our busy villages. You can enter the skittles competitions at the Community Centre, go shopping on the Shuttle, test the grey matter at the Big Bulkington Quiz, listen to the music of Capella Nova at Cleeve House, or tuck into supper at the British Legion's Canteen Concert. Kids of all ages can enjoy the Great Bulkington Railway on Easter Monday. With a ramblers group, two book clubs, various sporting activities, poetry group - and theatre, gardening and historic houses clubs, there really is something for everyone.

But, none of these things happen without people taking the time and trouble to organise them. We've noticed a lot of appeals for volunteers in recent editions of 'Spotlight' - and this one is no exception. The Community Centre is looking for a new Hon Sec, Link needs a coordinator, the Shuttle needs drivers and people to go on the cleaning rota, the fete committee and Friends of Keevil School both want helpers. The church wants people to assist at fundraising events, and even Spotlight itself needs more people to take a turn at printing and collating the magazine.

So, if you do have some spare time, please think about contacting one of these organisations to offer your services - or contact any group that interests you to see if they need help. Some volunteer duties take up quite a lot of time - others can just be for a few hours at an annual event. You may be pleasantly surprised at the rewards you get from taking on a role in the community. You'll meet people you might otherwise never speak to and you'll be more involved in what goes on in the village. It really can be fun!

## **CHURCH NEWS**

My dear Friends,

Back in the summer, the priest who has been my advisor for many years suggested that, as I have been living in Melksham for some six years, I should become a member of my local parish. My immediate reaction was that Seend and Holy Cross Church has been my home for over 40 years, (whenever asked, I've said 'I reside in Melksham but live in Seend'.)

However, giving it some thought, and being no 'spring chicken', for practical reasons I saw the sense of it. And so with prayer and very mixed feelings felt my friend was right, and even Bishop Stephen commented I had a wise advisor, and would be able to do more for longer, and still be available to Seend Church and Benefice if required.

I was ill-prepared for the 'over the top' au revoir I was given at Holy Cross on 27th January, and am so grateful for the beautiful flowers and generous gift, and, most of all, for your love and all that we have shared throughout the years.

Thank you so much. God bless you all.

Pam (Muller).

Our 'joint Benefice' services incorporate all three congregations from Bulkington, Poulshot and Seend where members of each church contribute in various parts of the service. Simply because of numbers, larger joint congregations need to use the bigger building and it's great to have opportunities to be together! Come and see! The Rector and PCCs.*

## FROM ROY

A bright, clear Saturday afternoon, I was moved to write a short poem. It's in the form of a Japanese haiku.

Bare trees stand our sharp  
against clear blue winter sky  
waiting to burst out.

I thought at the time it had hints of Easter in it. So here's something I've written since.

The hill is bleak.  
The cross is stark.  
The sky is dark.

The body is scented, pungent with death.  
It's bathed in love as honour is given.

A meal is snatched; it is just a few scraps:  
a little bread; a little wine.

Is it to celebrate?

Is it to keep a wake?

A journey to freedom is beginning  
and everyone is falling asleep.

Is it I?

It isn't I who plants a bitter kiss.

It isn't I who doesn't know him.

It isn't I who runs away.

The march of millions is cancelled today.

There's only one to demonstrate.

He staggers – falls.

The lamb is dumb.

The heavy blows of terror fall on him.

Injustice wracks his bones.

Suffering snatches at his breath.

'I am thirsty.'

The hill is bleak.

The cross is stark.

The sky is dark.

There is death I am sure.

But is it only death?

The fabric of despair is ripped.

The coat of hope stays whole.  
 Dead saints dance in the dark – it's not macabre.  
 They skip through the gate signed  
 'Welcome to the free.'

The hill is clothed with flowers now.  
 The tree bursts out in leaf.  
 The sun is shining bright.

May the journey the journey that leads to the cross on the hill bring us all to  
 Easter joy. God bless you.

## **CLUB AND ORGANISATION NEWS**

### **SEEND COMMUNITY CENTRE NEWS**

#### **Annual General Meeting of the Seend Community Centre held on Wednesday 23 January 2008**

The Community Centre Management Committee called this first Annual General Meeting to report on the current state of affairs and on what the Committee had achieved during the past year, and to share thoughts as to future developments. 41 residents of Seend joined the Committee for the meeting. Chairman, Peter Fisher, welcomed everyone and stressed that any ideas, involvement and commitment from those present would be welcomed.

When the Community Centre replaced the former Social Club in August 2005, the Club could not afford essential improvements because of rising costs and was facing closure. By obtaining Charitable Status as Seend Trust and Community Centre, it was possible to reduce overheads and obtain grants for much needed improvements to the heating system, kitchen and toilets. Much of the work was carried out by a small, dedicated team of volunteers.

The Treasurer, Max Bolton, reported that in 2005 there had been a loss of some £5,500. That loss had continued but gradually reduced as the measures taken by the new Management Committee took effect. By March 2007 this deficit was down to just over £3,000, and the current position was that the Centre was expected to make a small profit by the end of this financial year, and we had been able to repay a loan which had kept the Centre afloat.

Income came from the Seend Club Bar trading profits (separate from the Registered Charity, but the profits are paid to the Charity), summer breakfasts,

the Beer Festival, St George's Day Dinner and other fundraising events as well as private hirings. Grants had been received for the kitchen and heating systems totaling £16,000. £6,000 had also been received from the Parish Council, and the Committee's thanks were passed to the Council by the Chairman. The Treasurer also mentioned that the Committee had been advised that the Club activities should be set as a Limited Company. This would be done within the next few months.

John Smallshaw then set out our reasons for needing grants and donations. The most important feature is the lack of storage space and a planning application has been submitted to build an extension for this purpose. We also need to lower and insulate the ceiling and to update the lighting and sound systems. New chairs and tables are also on the wish list. John was awaiting the results of his bids for funding from various sources.

A lively discussion followed, when some new ideas for fundraising and events were put forward. Many of those present signed a register of volunteers to indicate their willingness to help the Community Centre in various ways.

Peter Fisher then thanked everyone for attending and announced that it was the intention to have a similar meeting in twelve months time.

### **Great News!**

Soon after the AGM, the Community Centre had the excellent news that it has been awarded generous grant funding. This will enable us to build an extension to provide storage space, which will in turn free up what was the TV/children's room and the backstage dressing rooms. We can also now afford to put a suspended ceiling in the main hall, with insulation and new lighting. There may also be funds to put towards new chairs and tables, refurbishing the toilets and extending the patio among other things. Obviously things won't happen overnight – but we have got planning permission for the extension so we hope to make a start quite soon.

The grants were obtained through the hard work of John Smallshaw, who has been bidding for any money on offer for a couple of years now.

However, this funding is still about ten thousand short of the total needed to do all the refurbishments we want to so that the Centre becomes an even better venue for parties, wedding receptions, dances etc. So, you may like to:

### **Sponsor a chair!**

We would dearly love to replace the rather elderly chairs that have done fine service since the early days of the Social Club. If any village organisations (or generous individuals) would like to help out by sponsoring a chair, we

would be delighted to receive £20 from you (cheques payable to Seend Community Centre) in return for which your name will be displayed in the Centre as a sponsor.

If £20 is a bit more than you are willing or able to part with, you could club together with friends and neighbours – or we can also offer you the opportunity to sponsor a tin of paint for £5!

Sponsorship, with your name and contact details clearly shown, can be left behind the bar or given to treasurer Max Bolton (4 Somerset Close) or to Tessa Doe and Frank Teasdale (6 New Buildings). Please include whether or not you are a tax payer, as we are looking into whether Gift Aid is applicable. You will receive a receipt - and our undying gratitude!

### **\*\*\* Vacancy for Honorary Secretary \*\*\***

The Community Centre urgently needs a volunteer to take over the role of Honorary Secretary to replace Robin Heatley who is having to stand down after ably helping the Committee through its first tentative months. Business, secretarial or administrative experience would be useful, but not essential. If you are interested in joining the Committee at this very positive moment in its history, please talk to any of the existing members (Peter Fisher, Max Bolton, John Smallshaw, Frank Teasdale, Tessa Doe, Russ Collins, BJ Tilley, Jane Hopkins, Graham Appleby and Caroline Bowen).

### **Club Membership**

Existing Club members are reminded that annual membership runs from April 1<sup>st</sup> to March 31<sup>st</sup>, so membership fees are due on April 1<sup>st</sup> or soon after. But, if you renew your membership – or take out new membership – by 31<sup>st</sup> March you pay the **reduced rate** of £7 (usual cost £8), or £3.50 for 14- to 17-year-olds or over 60s instead of £4. (For new members, membership will run from the date of payment to 31<sup>st</sup> March 2009.)

Membership entitles you to use the lounge bar any evening, taking advantage of very reasonable prices. Members are also entitled to play Pool for free on Monday evenings. You can take out your membership subscription at the bar.

### **Corrections to February ‘Happenings!’**

St George’s Day is, of course, on Wednesday 23<sup>rd</sup> April, not Saturday as stated in ‘Happenings!’ last month, so don’t turn up for your dinner on the wrong day. See ‘Events’ section for details.

And the mixed pairs skittles competition is now on 29<sup>th</sup> March, not 22<sup>nd</sup> as stated in ‘Happenings!’ You can sign up for that, and for the singles competition on 1<sup>st</sup> March, at the bar.

## **SEEND AND DISTRICT LINK SCHEME**

By the time of the 2008 Seend Link AGM (Thursday 24th April at 8pm in the Irene Usher Pavilion) I will have been the Seend Link Coordinator for eight years - in fact since the scheme started in 2000. I feel I would like to stand down and hand over the paperwork side of the duties of the Coordinator to someone else. I am still happy to be very involved taking a turn in manning the phones whenever necessary and, as we have three other people prepared to do this, it makes the job of the Coordinator less onerous. The new Coordinator does not necessarily need to be a driver, but an administrator - making sure that the handover of the phone is done smoothly, keeping the monthly record of jobs up-to-date (which again is not complicated as we average about 25 to 30 jobs a month) and attending four Committee meetings a year to discuss any new rulings or problems, and the AGM. (The meetings are very short, jolly affairs - normally with a glass of wine!)

It really isn't a difficult job and very rewarding. The main reason I want to stand down is that I have to go away much more often than I used to to look after grandchildren!

If anyone would like to have a chat about this, please ring me on 01380 828946.

Jo Waldeck

### **SEEND SHUTTLE**

The Thursday runs to Devizes (including Bromham) continue to be very popular - but there's room for a few more on the Tuesday trip to Melksham! Don't forget we wrinklies can use our bus passes. See the timetable on [www.seend.org.uk](http://www.seend.org.uk) or ring 828617 for a copy.

## **SEEND AND DISTRICT RAMBLERS**

A skittles evening took place at Corsham Football Club on Saturday, 26<sup>th</sup> January, when 40 ramblers took part in friendly competitive skittles with much fun and laughter and an altogether entertaining evening. During half-time we tucked into a delicious supper spread, which we had all contributed to. Many thanks to both Wendy and Reg for organising such a brilliant evening.

**Sunday 16<sup>th</sup> March** – Meet in Rusty Lane for 9.30am start or 10am near the duck pond in Biddestone. Wendy and Reg will meet us here to then form a convoy to start the walk from Yatton Keynell. Bring refreshments. Phone 01249 652422 should you wish to know more.

**Sunday 6<sup>th</sup> April** – The **AGM** will take place at 3pm in the Pavilion, after a short walk within the village starting in Rusty Lane at 1.30pm. If you are unable to make the walk, please try to attend the meeting, which will commence with a cup of tea and cake. A list of future walks and events will be on hand. Members please be aware that subscriptions will be gratefully received at this meeting.

## **SEEND AND DISTRICT GARDENING CLUB**

Our February meeting started by welcoming back Roger to his place at the front directing operations. He reminded us of two previously advertised outings and one new one.

\* The day trip to Hidcote and Kiftsgate on Saturday 19<sup>th</sup> July at £18 each, plus entrance fee for Hidcote if you are not a member of the National Trust. There are still places left and non-members are welcome for an extra £1.00. If you can't make a meeting to sign up for this trip please phone Sue.

\* The away trip to Dublin will be from 18<sup>th</sup> to the 23<sup>rd</sup> of June. Please contact Roger if you wish to go but have not been able to sign the list.

\* Joyce has arranged an evening trip to A'Becketts, the Littleton Pannell vineyard, on Friday 15<sup>th</sup> August where we can see how vines are grown and also enjoy sampling some of the wines. It will cost £8.00 a head and will start at 6.30. Joyce has the list if you wish to sign up.

Our speaker this month gave us an excellent talk about gardening for wildlife. Richard Cripps, from Lackham College pointed out that although these days we are encouraged to attract wildlife to our gardens, in the past it was very different. Amongst the highly criminal offences of small animals and mammals, bullfinches were reputed to attack flower buds and fruit crops and hedgepigs, as they were known, were believed to suck the milk from cows. Now we are much more enlightened, although we still don't like grey squirrels, rats or mice.

There are something like 15 million gardens in this country which together provide biological corridors for wildlife use and Richard suggested the following list of features to have in our gardens to give shelter and sustenance to all creatures including creepy crawlies.

- \* Water habitats, but don't have goldfish because they eat everything including each other!
- \* Nectar rich flowers, such as buddleia.
- \* Long grass and scrubland.
- \* Organic fruit and vegetables that you are prepared to share!
- \* Native plants, even though we regard many of these as weeds.
- \* Nest boxes for birds, bats, bees and hedgehogs.
- \* Log piles, stone piles and leaf litter.
- \* Providing food and water for birds especially.
- \* Manage predators like squirrels and use more natural forms of controlling aphids etc. such as soapy water rather than pesticides and herbicides.

The competition was won by Sylvia Ewin with some excellent photos of wildlife in her garden.

The next meeting will be on 11<sup>th</sup> March. Lyn Miles will be talking about foxgloves, campanulas and euphorbias. The competition will be the Spring bulb show. Could members also remember that the AGM is on April 8<sup>th</sup> and we ask you to bring a plate of food to share.

Sue Johns

### **SEEND WI**

There was a good attendance at our meeting on 13th February. The Speaker, Mrs Bridget Partridge, gave us an interesting and humorous talk on her association with the WI for 40 years. She was a dairy technologist at Lackham College and visited many WIs from the 1960s to give talks and demonstrations on cookery, preserving, winemaking and jam and chutney making. She was thanked by Mrs Kay Beasley. The competition 'Something Red' was won by Caroline Bowen.

Our next meeting is one 12th March when the Speaker, Mr F. Swift, will tell us about 'A Year in the Life of a Bee!'. The competition is 'An Easter Bonnet'.

NOTICE IS HEREBY GIVEN THAT THE AGM. WILL TAKE PLACE ON WEDNESDAY, 2nd APRIL 2008 AT 7.30pm IN THE IRENE USHER MEMORIAL PAVILION, RUSTY LANE, SEEND.

### **KEEVIL AND DISTRICT WI**

We meet in Keevil Village Hall on the second Wednesday of each month at 7.30pm. Visitors and new members are warmly welcomed.

On the 12<sup>th</sup> March we'll take an armchair ride along the Jurassic Coast with Mr Marsh.

### **MOTHERS' UNION - SEEND AND BULKINGTON BRANCH**

The MU meeting in January was the AGM. The accounts for the year were accepted and signed. The charity donations for the coming year were agreed.

Then Mrs Betty Smith told the branch about our overseas link with the Evening MU Branch in Belmont, New Castle, New South Wales, Australia. Begun in 1988, we have received many letters from our link branch. Belmont lies between Lake Macquarie and the sea. There are 22 members and they

meet monthly. Betty has visited them and has a record in beautiful photographs of her visits.

The branch also saw the processional banner sewn and designed by two of our members as a gift for Mundri Doiocese, Sudan, on behalf of the Diocese of Salisbury. Our Diocesan President, Mrs Bridget Trump, is taking it to the Sudan in April.

Members were reminded that the MU has a caravan for six at Durdle Door in Dorset available for families in need, in use from March to October. If you know any family that might benefit from a holiday, please contact Mrs E Campbell.

On April 16<sup>th</sup>, the MU branch is celebrating its 120<sup>th</sup> birthday. There will be a Holy Communion Service in Church, followed by a buffet lunch.

Future dates:

7<sup>th</sup> March – Women’s World Day of Prayer, St Andrews, Melksham Forest, 10.30am.

19<sup>th</sup> March – Rev Mrs Chadwick on ‘Africa’, 2.45pm.

## **ROYAL BRITISH LEGION**

### **Canteen Concert**

You’ll find details of the Annual Canteen Concert (formerly known as the Dug-out Supper and open to all, whether members of the Royal British Legion or not) in the Events section at the beginning of this edition of Spotlight.

## **THE 2008/2009 100+ (nearly the 200) CLUB**

### **WHAT IS IT, AND WHY SHOULD I JOIN?**

**The 100+ Club:** is a village lottery, which was set up many years ago to raise funds to support the upkeep of the village-owned Lye Recreation Field and Pavilion. Membership costs **£15** per person per year, and is open to anybody in the village – or out of it; your money is just as good, no matter where you live! And last year - 2007/2008 - we raised almost **£1200** for the Lye Field, **£970** in donations and **£208** in Gift-Aid payments.

**Prizes:** In addition to the contribution to the Lye Field, an equally important aspect of the Club is the re-distribution of almost **£2000** back to the subscribers as prizes via 12 monthly prize draws. At 11 of these draws, there were **6** prizes on offer: **£35, £30, £25, £20, £15** and **£10**, but at the Christmas draw, there were **13** prizes, starting with a first prize of **£100** and totalling

over **£450!** Since **2002**, membership has increased from **142** to **195**, and in this period **145** members have won at least once, so you can see that the odds of winning are pretty high.

**Why you should join:** Principally, to support the Lye Field, which together with the Pavilion are owned by the village – that means you and me - for the use and enjoyment of everyone in the village. The upkeep is managed by volunteers who give their time and expertise free, but materials and equipment need to be paid for. Joining the **100+Club** is therefore a very good way to support a fabulous amenity, while at the same time giving yourself a sporting chance of recouping your stake – or even more! How often in life does this happen? Anyone can apply for a subscription, and you can buy as many subscriptions as you like – the more you have, the better your chances of winning, and the more support we receive. Membership runs from **May 1<sup>st</sup>** to **April 30<sup>th</sup>** each year.

**Application to subscribe:** Application forms containing Gift-aid certificates will be distributed to everyone with next month's Spotlight, but if you can't wait until then phone me or email me – details below. This year we must get over 200, so make sure you **join our Club!**

**Fete Volunteer section:** It can't have escaped your notice that each year we have a village fete and each year we make an appeal for volunteers. This year the 100+ Club application form will have a Fete-volunteer section added as a tear off strip. You will thus have the opportunity to add your name to our list of helpers by completing the strip and returning it to a nominated Fete Committee member as directed. This is just an advance notice so that you can think about whether you can find an hour or two on the day – Saturday, August 9<sup>th</sup> – and if you can, to let somebody know. Our Fete is a fantastically successful affair, but it needs a lot of support. Please think about providing some of it.

## SCHOOL NEWS

### SEEND SCHOOL NEWS

Seend School's **Barn Dance** will be held on Friday 13th June, from 6pm-11pm, at the Community Centre. The famous "Wiltshire Klop Band" will be playing and there will be a barbecue.

## **KEEVIL SCHOOL NEWS**

The year 5 and 6 children have a residential coming up in May and have been busy putting their heads together to come up with some fundraising ideas to reduce the overall cost of the trip.

The first of these to take place was a non-lunchbox day where the year 5 & 6 children spent much of the morning preparing for a choice of lentil and carrot soup or winter vegetable and bean soup served with homemade bread followed by fresh fruit salad and shortbread (unfortunately not homemade!). On one day they cooked for all the infant children and on another day they cooked for the junior children. Parents were invited too and almost £120 was raised. An idea worth repeating I think.

The next fundraising event will be the talent show at the village hall on February 15th. This will be closely followed by a sponsored skip and then a non - uniform and careers day. I will report on the success of these in the next issue!

We are delighted to welcome Canon Brown, not only as a Governor of the school, but also as a regular provider of our act's of worship. Our first one on the theme of Ash Wednesday went down very well and we look forward to others throughout the year.

If there is any group out there who would like to use the school as a venue for a meeting, either as a one off or as a regular occurrence then please contact the office. Now we have three new classrooms it is a shame to not have them used in the evening. We have interactive whiteboards which are ideal for projecting photographs, films, PowerPoint's etc from a laptop.

Finally, I know with the increased number of children at the school comes a potential increase in traffic. We do all we can to ensure that children use the allocated buses to minimise the amount of traffic. We continue to do everything to try to minimise disruption to the village but inevitably there are times when there is a larger volume of people/traffic. Our main concern and priority is the safety of the children, so please bear with us during these times.

# **SEEND PARISH COUNCIL**

## **Reports of the November and January meetings**

**The meeting held on 27<sup>th</sup> November** was attended by seven Councillors, with Mrs. Savage in the chair. Also in attendance were Mr A. Lake, District Councillor, plus three members of the public, and PC Tottle.

The question of funding for the Seend Shuttle was raised, once the new Unitary Authority comes into existence. Mr. Lake advised that it was too early to predict what will happen, however, there are no plans at present to cease funding of local transport, although he understood that people will be worried.

The forthcoming planning meeting for the application relating to the WI Hall was discussed. Mr. Lake advised that the planning committee will only be concerned with the planning aspects of the case. The questions of access for emergency vehicles into Rusty Lane, and the additional parking of vehicles on the A361 were discussed, should the application for additional dwellings in Rusty Lane be approved.

PC Tottle asked that the public be mindful of bogus callers in the area, sometimes posing as water board officials, be wary and ask for identification. Councillors mentioned problems with litter being scattered in the school grounds overnight, and also one of the recycling bins by the Community Centre being set on fire. The problem of vehicles parking either side of the entrance to Rusty Lane on Sunday mornings, restricting visibility of emerging cars, was also raised.

The following applications were considered and no objections raised:

- K/57588/F H J Smith & Sons, Cowleaze, Bell Hill  
Erect detached garage
- K/57641/F Mr S Johnstone, 60 Bath Road, Sells Green  
Proposed replacement dwelling and new garage
- K/57675/TR2 Mrs M L Weston, Squirrels, School Road  
Works to an oak tree in the garden
- K/57694/F Mr Akerman, Broad Lane Farm, Broad Lane  
Alterations to an old bull pen and feed barn
- K/57753/F Mr T Newton, Ridgeway, Row Lane  
New double gates

**The meeting held on 29<sup>th</sup> January** was attended by eight Councillors, with Mrs. Savage in the chair. Also in attendance was Mrs. P. Rugg, County Councillor, plus three members of the public.

The question of funding for the Seend Shuttle was discussed again. Mrs. Rugg advised that there were problems about funding for transport for the over 60s as far as Kennet are concerned, but that they are funding projects in villages. All aspects of transport are being looked at, including transport for people going to hospital. Mrs. Rugg also advised that community projects are benefiting from funding, and she suggested that the relevant village committees, such as the school, the Lye Field and the Social Club should consider requesting funding from Kennet DC.

The following planning application had been refused:

K/57851/F Shearmon, Spiderweb Paddock, Rusty Lane, Seend  
Pole barn for storage of hay, straw and farming machinery

It was agreed to ask the Planning Department what is happening with regard to Spiderweb Paddock, and the enforcement order.

The following application was considered, and no objections raised:

K/57880/F Trustees, Seend Club & Community Centre, Rusty Lane, Seend  
Single storey front extension to form store room

The following application had received consent:

K/57099/CAC Trustees, Seend WI, WI Hall, Rusty Lane, Seend  
Removal of existing hall, to be replaced with three new dwellings and garages

It was agreed to submit an entry into the Best Kept Village Competition run by the CPRE again this year.

A notice had been received from Wiltshire CC advising the temporary closure of Inmarsh Lane from Monday 18<sup>th</sup> February for 7 weeks.

The Parish Steward is due to visit the village again on 25<sup>th</sup> February and 25<sup>th</sup> March. Any matters for his attention should be advised to the Parish Clerk, including clearing of drains and gulleys and cutting back overgrown vegetation.

**Please note that only one skip will now be provided each month. Parishioners are requested to use the Recycling Centres at Devizes and Bowerhill whenever possible.**

Dates for the next Parish skips will be:

February 29<sup>th</sup> Seend Community Centre  
March 28<sup>th</sup> Three Magpies
