Welcome to the November Issue

Well, summer is over - what there was of it! Still, look on the bright side, all that rain has produced a glorious display of autumn colours on the trees. Just remember how colourful the leaves looked as you go about the seemingly never-ending task of sweeping them up. The Harvest is over and the nights are drawing in but there are still plenty of events happening in November to entice you out of doors.

For starters you can dress up as a witch or skeleton (optional) and enjoy a Halloween Dance on 3 November in Seend Community Centre. On 7 November you can test your little grey cells at Seend's Big Quiz Night in the Pavilion. Following that you can end the week at a Wine Tasting and Food Fair in the Community Centre. Even music lovers are catered for this month with an appearance by "The Opera Dudes" on 16 November. You will find details of all these events inside.

You may well be reading this edition in October but I'm afraid it does contain news about Christmas events! Apparently, it is never too early to start your Christmas shopping so let us get you started with news of two Christmas fairs. The first takes place at Cleeve House on 24 November and the second is in the Pavilion on 1 December. Also, this year, Seend will have its own Christmas card designed by Cliona Walker. You will be able to buy copies from the Post Office and other outlets

Finally, **a reminder for our contributors.** Don't forget that the December/January edition of Spotlight is a double issue. This means that we need details of events in December **AND** January by the 17 November.

The Spotlight Contacts

Contributions for the December/January double issue (see above) *copy deadline is 17th November* can be sent by e-mail to spotlight@seend.org.uk or delivered to the Post Office, High Street, Seend or for Bulkington contributions to Jo Bell at 1 Northfields, Bulkington (e-mail to trevor@bell8490.freemove.co.uk). Comments and queries – Meg Combs 828229 or Tina Yockney on 827139.

And see under 'Bits 'n Bobs' at the end for possible future developments.

SEEND SUMMER FETE 2007

EPILOGUE

We now know the expected total income from Fete 2007. With all bills paid and most of the income received the cash in the bank totals £7,342, and with a further £230 in receipts expected, the predicted total is **£7,572**, an increase on last year's income of more than £1000.

This was a magnificent achievement, and a tribute to everyone involved – on both sides of the stalls. Once again I would like to say to everyone, thank you for a job wonderfully well done, thank you for your time, your hard work and dedication and to our visitors, thanks for coming to our village and giving us

your support. Thanks also to the many individuals and organisations that provided sponsorship and advertising revenue to support our event. Without their generosity it would be impossible to plan and organise the Fete on its present scale.

As retiring Chairman, I can't promise anything next year, but I am absolutely confident that Fete 2008 will take place on Saturday 9th August, bigger and better than ever. I know I'll be there. Make sure you are!

Committee Chairman, Fete 2007

From Where I Stand...

...on the shore of the Sea of Galilee, with the gentle waves washing my feet, I can see fish darting in the shallow waters as they too take in the warmth of the sun. The morning *is* hot and yet quite hazy, the mountains on the other side are barely visible, but still a few fishing boats ease out of the tiny harbour and travel south across the lake. Birds like the tall white egrets cruise by in the warm air above, their long necks tucked into their chest, their long black legs and bill define their graceful shape. The variety of kingfishers, with their shimmering colours and shrill call, speed low above the water sweeping in front of me and suddenly dive for their fish. As the day clears the northern shores reveal some of the places from here in Galilee, Northern Israel, associated with the earthly life of Jesus like the home of His friend Peter, the shores along which He met the fishermen and called them to follow Him, the places He used for preaching, the place where the feeding of the five thousand is remembered. By the late afternoon the wind from the Golan Heights from the north whips up the sea enough to imagine the disciples on the boat and Jesus calming the storm. At night the lights of the small towns glimmer along the hills and I remember Jesus' image of lights, no use being hidden, as He reminds His disciples to discover *His* light, His presence, within them, to explore it and not hide it, and help others discover it for themselves too.

From where I stand, returning once more from a pilgrimage to Israel/Palestine, to the 'land of the Holy One', to Jerusalem, the Mount of Olives, Bethany, Bethlehem, the Dead Sea, Nazareth, the Sea of Galilee to name but a few, I know it was a journey of discovery not only of the land but within ourselves.

Records show that in all the great religions, including Christianity, Islam and Judaism, taking pilgrimages has meant taking devotional journeys to sacred places from as early as the 2nd century to Jerusalem. There is still the sense of travelling in the physical sense but also discovering something rather more deeply within ourselves by the experience. Pilgrimage today is usually associated with the human journey nearer to God, looking for Him through events throughout our lives, a life long pilgrimage for us all! When any of us take time to think back over our lives, over the previous few weeks, or look back over the past day, to pause like this for a 'stand and stare' moment it can allow one experience to lead us to other reflections and realisations. In that place of pausing and reflecting we may begin to sense the presence of God and so be led to see Him more clearly and find ways of knowing Him more deeply.

Just to remind you...**Children, who have been baptised, and Holy Communion**

Following last month's article, as our Benefice responds to the new Church of England guidelines, there is another opportunity for interested families and children to come to a very informal 'walk-through' Eucharist teaching session allowing parents/children to learn more about the service. This is on ***Sat 10th November in Holy Cross Seend at 4pm for little over ½ hour.*** We hope to have permission from the Diocesan Bishop to administer Holy Communion to baptised children later this year. So if you think that, once we have permission to do so, you would like your baptised children to receive Holy Communion or, if you would like to discuss this further, please contact the Rector (828615).

FROM ROY

The two great commandments are to love God with all our being and to love our neighbour as ourselves. I like to think of this as loving God in our neighbours and loving our neighbours in God.

In my prayers recently, I have been using some simple breathing prayers. In these prayers, I have been trying to match my prayer to the rhythm of my breaths. I sit upright, with my legs uncrossed and hands held lightly together in my lap. I become conscious of my breath going in and out without trying to alter its pattern. I then use two words, one on the in-breath and one on the out breath.

In – grace
Out – love

I go through a pattern of 10 breaths, and then change the words.

In – faith
Out – hope

I repeat the pattern for 10 breaths and once more change the words for a further sequence of 10 breaths.

In – right
Out – peace

I then start the whole sequence over again and repeat it for as long as I can hold attention to what I am doing – sometimes longer than others.

I hope you might find this way of praying helpful as you seek to love both God and neighbour. In this simple, but potentially deep, way of praying, we can keep focussed on God while beginning to let God's energy within us to be released out to the world.

God bless,

CLUB AND ORGANISATION NEWS**SEEND COMMUNITY CENTRE**

At the time of writing we are preparing for our first **Table Top Sale**. If it goes well, we plan a second one on 18th November; watch out for posters. Edition no.4 of our newsletter 'Happenings!' is included with this copy of

Halloween Dance in aid of Dorothy House - See events section for details.

SEEND SHUTTLE

The Tuesday service to Melksham

This service now operates without the Bromham detour, so is a quick and convenient way to do your shopping and errands in Melksham. You can see the timetable for this (as well as the Monday Post Office run and the Thursday service to Devizes via Bromham) on www.seend.org.uk - or phone 828617 for a copy.

Please do make use of this service - otherwise it may have to be dropped.

First Wednesday

Ring Terry on 828203 to book your place on the **shopping trip** on the first Wednesday of each month (ring by midday on the Monday), usually to Salisbury though suggestions for other destinations are welcome.

Volunteers

We would still love to hear from individuals willing to give up an occasional few hours to **drive the bus** (phone Pete on 828757) or from families, groups of neighbours, village organisations etc able to go on the **cleaning rota** (phone Tessa on 828617). At the moment, those on the rota are asked to clean the bus every ten months or so; it would be so nice to have a couple more names so that we each only have to do it once a year or less!

SEEND AND DISTRICT RAMBLERS

Weekend away

37 ramblers had a wonderful weekend in Bournemouth on 12-14th October, arranged by Lin and Gerald Salter. We enjoyed a comfortable hotel, complete with indoor pool, sauna and Jacuzzi, good food and helpful staff. Colin and Jo Waldeck organised the two walks. On Saturday we took the ferry to Studland and completed a six-mile walk around the peninsula which took in shore, heathland and woods. We started out in drizzle, but the skies cleared in time for the later stages of our walk along the beautiful sandy beach. On Sunday, a short drive took us to Hengistbury Head, where we walked for five miles in warm sunshine around the little harbour, along beaches, through the nature reserve and up to the Head with wonderful views along the coast and out to the Isle of Wight. A hardy few completed a further mile and a half while the majority took a short-cut back to the café for coffee and ice-cream!

Ramblers' Social - 23rd November

All are welcome to join us for a social evening, with American Supper. Our guest speaker is Dennis Barnard, who will entertain us with some comical anecdotes, with a local touch, on the subject of 'My Village'. Admission £2.50; 7.30 for 8pm.

Next walk - Sunday 4th November

Meet in Rusty Lane at 9.30am for a not-too-strenuous walk that starts from Nockatt Coppice car park at Heaven's Gate at approximately 10.15am. The walk passes Longleat house and goes through fields and lanes to the village of Horningsham. Bring refreshments. Leaders: Brian and Geraldine De'Ath (01225 705806). This is a change from the announcement in last month's Spotlight.

Lin Salter

SEEND'S OTHER BOOK CLUB

We meet in each other's homes (not in the Community Centre as wrongly reported in October Spotlight) every six weeks or so to discuss a chosen book and put the world to rights over a glass of wine.

Our next book is a collection of short stories by Scottish poet Jackie Kay entitled 'Wish I Was Here'. Please ring Tessa or Frank on 828617 if you'd like to join us.

Frank Teasdale

SEEND AND DISTRICT GARDENING CLUB

Roger started by thanking our President, David, for standing in as Chairman at our last meeting.

The list for our **stay-away trip to Dublin** next year on 18th to 23rd June was out. This is a six-day trip because of the greater than usual travelling distance. If you are unable to get to a meeting please let Roger know (828493) if you wish to join this trip.

The day trip will be a second attempt to get to **Hidcote and Kiftsgate** and will be on Saturday 19th July. The list will be out at the November meeting or you can let Sue (828777) know. Edna Fry is organising a visit to see the illuminated woodland at **Westonbirt** on Friday December 8th this year. This will include a supper stop. Please let her know if you are interested. (722110). Costs will depend on numbers going.

The speaker in October was Dinah Lindon-Critchley of Blooming Hill Plants in Shepton Mallett (near the sheep roundabout). Her interest is in new varieties of vegetables. Seeds from these come from Eastern Europe, Turkey and America and are becoming readily available, many being completely hardy. With many of us having small gardens, she recommends the practice of "catch cropping", that is making use of spaces between slow growing plants to grow a quick crop of salads etc, before they become overwhelmed by their slower neighbour. She also explained how to use a small plot to grow the greatest range of crops, by sowing small amounts of a variety of vegetables. For those with even less space, pots and boxes were suggested, particularly the blue plastic mesh ones from green grocers and elsewhere, lined with newspaper and filled with approx. 2 inches of soil.

Dinah's pea and bean bed is 5 by 10 feet, with cross shaped supports which provide shelter and give room for many varieties of climbers and low growing species. She went on to give wise advice on tomatoes, squashes, courgettes, onions, pumpkins, salads and culinary flowers. Like us she has had her disasters, especially this year, but we learnt a lot from such an enthusiast.

Our next meeting is on the 13th November. Jennifer Harmer's talk is entitled 'Look who is in our garden', about plants named after plant hunters and others. The competition will stretch your knowledge and need a little homework. It is for a vase of plants which are named after plant breeders, hunters or gardeners. A bit more work than usual, but you might learn a lot! Some suggestions...Gleditschia is named after Gottlieb Gleditsch a botanist, Euphorbia griffithii Dexter is probably named for Christopher Lloyd's garden, Viola Bowles Black after E R Bowles. Good luck!

When you receive this copy of Spotlight, you will also receive a Gift Aid envelope as in previous years.

As indicated last month, if you are a tax payer, please sign the envelope and put your address on it. Give it to the poppy seller when they call and you can either put your money into the envelope or in the collecting box. 28p in every £1 can then be claimed for the Seend Branch, increasing our village collection at absolutely no cost to yourself and no inconvenience to us. Just sign your envelope together with a legible address and give it to the collector. The Appeal Committee will do the rest.

SEEND WI

A short silence was held before the start of the September meeting in memory of Lorna Hillier, a long serving member who was very much loved. Her passion was the Womens Institute and she served on the committee right up to her death in August. Seend will be the poorer for her passing - she touched the lives of so many people in the village.

The Speaker, Mrs Lesley Bastone, gave a wonderful talk about Sugarcraft (cake icing). She demonstrated the easiest and most effective way to ice a cake using fondant icing. She then demonstrated how to make acorns, hawthorn berries and roses, and, after colouring these, made a delightful Autumn Posy for the top of the cake. The cake was put in the raffle and won by a delighted Mrs Florence Rowse. Mrs. Bastone was thanked by Mrs Jo Vaux. The Competition 'A Napkin or Serviette' was won by Mrs Pam Hillier.

Members and guests celebrated our 88th Birthday on 10th October at Cleeve House, the home of our first President Miss Dorothy Hewerd Bell (Mrs H. C. Hony). The excellent meal was prepared and served by Mr & Mrs Zaccarelli and helpers. Mrs Shirley West made the lovely cake which was cut by Mr Bob Smith and Mr Stephen Biggs - two of our stalwart W. I. husbands! Miss Sue Noad - a good friend of Seend W. I. for many years - read poems by her favourite poet, Pam Ayres, and had us all enjoying a very good laugh at the delivery.

Our next meeting on November 14th is an 'OPEN MEETING'. The speaker, Mrs Catherine Knight, will tell us about her 'Cycle Cuba Fun and Friendship Tour' which she and other W. I. members and friends did to raise money for Denman College at Marcham in Oxfordshire. The evening should hold special interest for those who have been to Cuba or are contemplating a visit in the future. Visitors and potential new members will be warmly welcomed to this and any of our meetings which are held in the Irene Usher Memorial Pavilion in Rusty Lane on the 2nd Wednesday of each month.

Members are asked to bring a gift for Green Lane Hospital patients and to indicate clearly whether it is for a lady or gentleman. PLEASE will you also list the contents by means of a TIE ON label. The Competition will be for 'A Green Lane Parcel' and there will be a 'Bring and Buy' stall.

Betty Smith.

MOTHERS' UNION
SEEND AND BULKINGTON BRANCH

In September, the branch welcomed Mrs Evelyn Grant, Deanery Chairman. She proved to be a very entertaining speaker.

One activity in the Salisbury diocese is the holiday for families on the Isle of Wight. Supported by the MU, this enables families under pressure to relax in beautiful surroundings. There is also the Durdle Door holiday home, booked for 26 weeks last year.

Mrs Grant spoke wisely about the need to strike a balance between outreach activities and meeting the needs which arise locally.

The branch is hoping to collect for the women's refuge in Trowbridge. This centre fills a real need for women and their families after marriage break-up. We would like gifts of soap, towels, toothbrushes and toothpaste etc to make emergency toilet kits; also small Christmas presents, nearly new toys and clothes for babies and children up to 12 years old.

Please contact Mrs E. Campbell, who is hoping to receive these gifts before the end of November.

Future dates

November 21st - Mission Aviation Fellowship

Please remember your tribute money, £14 for next year.

There will be other events in December.

SCHOOL NEWS

SEEND SCHOOL

We have now settled back into school and are nearly at the end of Term 1. The new children have settled in quickly after being looked after by the older children in our school. We have also had visits and news from many of our leavers who are working hard at their new schools and showing themselves to be a credit to Seend.

This term our clubs have been a great success and children have taken part in drama, creative writing, gardening and football clubs run by the staff and Judo and tag Rugby Clubs run by professional coaches. The football team has now won a place in the Wiltshire Small Schools Final on the 5th December in Chippenham, after winning some great matches in the area competition in Trowbridge.

We have recently had our Harvest service in school and the children brought donations of tinned food and dried food to school for the newly opened Trussell Trust depot in Devizes. Parents were invited to the service and were able to hear the wonderful singing of our children. In fact, we are now starting to prepare for our Christmas performances. This year KS1 are producing a Nativity based performance and KS2 are working on a musical performance of Scrooge. So watch out for more news.

Another event of note was the election of the School Council. We hold an election day when interested candidates can speak to their classes to encourage them to vote for them. The day concludes when all the children take part in a secret ballot in the hall and the winning candidates are announced. Many of the children made posters and made presentations to their peers, while the younger pupils were encouraged to get their parents to write down their ideas.

With a new PSC committee recently elected, more fundraising events will be taking place in the forthcoming academic year. The first of these will be the

Christmas Fayre on Friday 7th December (details are in the events section of this issue). Money raised from last year's fundraising events will be put towards the building of an outdoor classroom. And with money raised from the school's annual 100 Club, we are planning to provide netball coaching, some time next year.

We have now locked the school gates to the playground and field during school hours in an effort to increase the security of the school and the safety of the children while they are at school. The gates are reopened at the end of the school day to allow access to the school grounds.

Highway Matters – A response had been received from Highways to the letter sent following the last PC meeting. With regard to the request for a lower speed limit at The Strand, Highways advise that the A361 is subject to a review to be undertaken during 2007/8, with any suggested changes being carried out by 2011, subject to funds being available. With regard to a footway to the north of the A361, Highways advise that funding is not readily available, and that usage would not warrant the costs involved. With regard to parking in the High Street on either side of the entrance to Rusty Lane, a request for prohibition of parking has been added to the list of streets to be assessed for parking controls by Kennet DC. A request had been received from a parishioner that vehicle speeds in the High Street be monitored with speed boxes. The PC agreed to request this.

Spiderweb Paddock – There had been complaints about a fire lit in the paddock, causing unpleasant smells. Matters of this nature should be advised to the Environment Agency. A further complaint had been received that the footpath had been fenced off; the Footpaths Officer would be advised.

Little Foxes – Concern had been expressed that a caravan had been placed in Little Foxes, Rusty Lane. The Enforcement Officer at Kennet had been advised. The PC understands that the caravan is to be used as an outdoor classroom for students from Lackham College.

The Parish Steward is due to visit the village again on 22nd October, 19th November and 17th December. Any matters for his attention should be advised to the Parish Clerk, including clearing of drains and gulleys and cutting back overgrown vegetation.

The Parish Council will write to British Waterways, to see if the problems of parking in Spout Lane can be resolved.

Highways advise that the A365 Devizes Road, from its junction with Falcon Way, Bowerhill to Station Road, Seend will be closed on 20th October for two days for resurfacing.

Wiltshire County Council proposes some changes to the Rights of Way network around Broad Lane Farm and Totterdown Farm. The PC was happy with the changes to be made, as they make the routes easier to use, and avoid crossing

gated cattle yards and farmyards.

The dates of the next village skips will be:

Friday 26th October Wessex Water site
Friday 30th November Seend Community Centre

The date of the next meeting will be 30th October 2007 at the Seend Community Centre at 7.30 p.m.

GRUK COMPETITION

Last month we asked you to submit a gruk (a sort of two-line rhyming philosophy) to compete with those in 'Miscellany II'.

And the lucky winner of two free tickets for the next village panto is none other than the Revd Sacha Pearce, with:

'If you need a holiday, a day or two on the beach,
Simply ask your imagination - 'coz in *there* nothing's out of reach!'

MISCELLANY II - A selection of verses by Seend Poetry Group

At the time of writing, there are just two copies left of this publication, priced at £4.50. A further edition (limited or unlimited) could be printed if there is a demand (it's an ideal Christmas gift!). So far, it has raised around £80 for the Community Centre and £40 for the Church Fabric Fund. Phone Tessa on 828617 to order a copy.

All sorts of issues relating to Community Transport and Social Enterprise will be discussed and importantly you will get a chance to hear about the **practical** experiences involved in developing social enterprise community transport.

Conference attendance is £5 (inc VAT). This price includes a buffet lunch and refreshments. For more information about the Conference please call Liam Tatton-Bennett, Community Transport Manager at Community First on (01380) 722475 (ext. 243).

ANY OFFICE EQUIPMENT TECHNICIANS OUT THERE?

There's a second-hand Konika photocopier in the Pavilion that needs attention. Is there a community-minded technician or engineer who could at least give us a free diagnosis as to whether it is worth spending money on repairing it? If so, please ring Dave Sawyer on 828583.
