

SEEND ONLINE WINE TASTING EVENT

Saturday 27th June, 6pm

The next Seend Wine Circle event was scheduled for Saturday 27th June but for obvious reasons cannot go ahead. Since the Community Centre is keen to support the village fund-raising campaign, the Community Centre and the Wine Circle team have decided to hold a virtual wine tasting event instead – a “lockdown alternative”.

Everyone will be able to get together online and drink some wine, whilst raising money for the village.

- Tickets will be £15 each.
- One ticket will buy you a single bottle of white wine, a unique login to the Zoom event plus a free Daily Drinker corkscrew.
- 50% of all ticket sales will be donated to the village fundraising.
- Your bottle will be delivered FREE to ticket-holders in Seend and surrounding villages.
(We can deliver elsewhere in the UK for an additional £7.50 delivery charge.)
- Resident wine merchant, Caspar Bowes, will host the event; he will show us all how to taste wine, tell us about the wine itself, and taste the wine with us.
- If one bottle is not enough, you are welcome to purchase additional bottles at the retail price of £12 which will be delivered at the same time as your tasting bottle.
- There will be plenty of opportunities to ask questions.
- The event will last for approximately one hour.
- It will be a jolly social occasion for all of us who are a bit bored of drinking alone!

To get your ticket, please email victoria@thedailydrinker.co.uk ideally by **Wednesday 24th June** (we may be able to accommodate some ‘last orders’ subject to wine availability so please check if later). Victoria will arrange to take the payment, deliver your bottle and send your login for the event.

Grateful thanks to [The Daily Drinker](#) for making all of this possible and giving so much of their time and expertise to such a worthy cause.
