## Spotlight Online Colour Supplement

Two busy evenings at Seend Community Centre - the RBL annual lecture (left) and Mick Jogger and the Stones Experience (which got a lot livelier than the photo suggests!) I wonder how many people went to both?

Keevil School pupils sowing sunflowers with residents of Goodson Lodge Care Home in Trowbridge

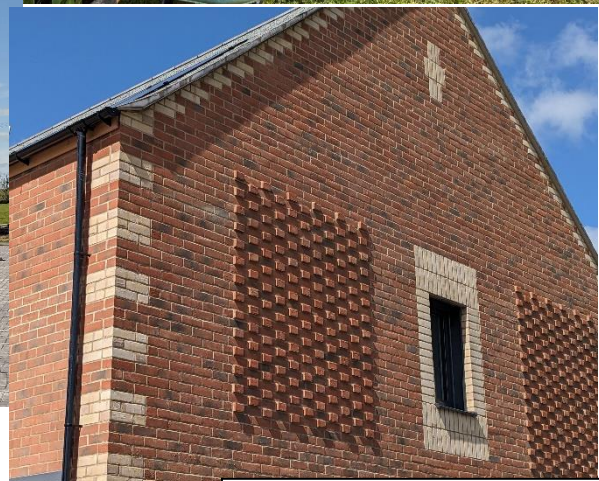

Seend United Football Team - League Champions! And narrowly-defeated cup finalists to boot.

The team of volunteer gardeners made a start on sorting out the flower beds and containers at Seend Community Centre ready for the summer. There's still more to do if anyone wants to join in!

It's been a long time coming, but the first row of housing association super-energy-efficient homes in the Cleeve are ready. Don't they look smart?

Nice bit of brickwork detail on the gable ends.

Feedback on this and earlier editions of the colour supplement, and photos for inclusion in June Spotlight Online Colour Supplement to [spotlight@seend.org.uk](mailto:spotlight@seend.org.uk) please. Thanks.
