

October 2026

Spotlight online colour supplement

There were so many summer events in the village – but the main one must be the combination of the Fete and Flower and Produce Show on 12th August

**Then there was the
Sausage and Cider Day at
the Brewery...**

**...and all those weeks
Seend was Cleaved**

**The day a pony
dressed as a
dragon visited
a children's
party at Seend
Centre**

**The August Bank Holiday
annual Big Heads v Small
Heads cricket match**

Lots of things went on in Seend Centre – including Breakfasts, Wine Circle and line dancing

The Macmillan Coffee Morning was popular again – and it looks like it will have raised somewhere over £900 for them for the second year running!

Feedback on this and previous supplements is welcome. Please send any photos of village events for future editions to spotlight@seend.org.uk Thank you.
